CHAPTER 5

AIR POLLUTION CONTROL

Subchapter VIII. Registration of Air Contaminant Sources

Section 5-801 Definitions

(1) "Source" means, for the purposes of this Subchapter only, all stationary structures, facilities, equipment, installations, or operations which emit or may emit any air contaminant and which are:

- (a) operated by the same person or by persons under common control, and
- (b) located on one or more contiguous or adjacent properties where all such property is owned by the same person or by persons under common control.

(Note that the person or persons operating the source will not necessarily be the same person or persons who own the property upon which the source is located.)

(2) "Operator" means, for purposes of this Subchapter only, any person operating or responsible for the operation of a source.
