

# Environmental Justice Thriving Communities Technical Assistance Centers (TCTACs)

In partnership with the U.S. Department of Energy, EPA's TCTAC program is a network of technical assistance centers designed to remove barriers and improve accessibility to environmental and energy justice grant opportunities for communities that are underserved and overburdened.

TCTACs will help communities that are underserved and overburdened to:

**Identify** grant opportunities.

**Prepare** grant applications and **manage** grant funding.

**Build capacity** to effectively engage with decisionmakers.

**Develop** collaborative community-based partnerships.
