Zach, it was nice speaking with you a few minutes ago. I look forward to hearing back from you regarding the possibility of Sierra Club withdrawing its 7/5/22 title V petition on the Homer City title V permit, given the various developments since the petition was filed. Feel free to email or call me directly if you'd like to discuss further. If Sierra Club decides to withdraw the petition, it could do so by email to titleVpetitions@epa.gov.

Best,

Matt Spangler (he/him)
