

Revision Checklist 248 Summary

Rule Title: Management of Certain Hydrofluorocarbons and Substitutes under the American Innovation and Manufacturing Act

Checklist Title: Management of Certain Hydrofluorocarbons and Substitutes

Reference: 89 FR 82682 - 82872

Promulgation Date: October 11, 2024

Effective Date: December 10, 2024

Cluster: RCRA Cluster XXXIII

Provision Type: HSWA

Linkage: 84

Optional: No

Summary: EPA is establishing alternative Resource Conservation and Recovery Act standards for certain ignitable spent refrigerants being recycled for reuse.

State Authorization: This rule is placed in RCRA Cluster XXXIII. The State modification deadline is July 1, 2026 (or July 1, 2027 if a State statutory change is necessary). All provisions in the rule are promulgated under the authority of HSWA. Thus, the standards will be applicable on the rule's effective date in all States and will be implemented and enforced by EPA until the States receive authorization.

Attorney General (AG) Certification Guidance: An Attorney General's certification of statutory authority is not necessary.

Program Description (PD) Guidance: None

Incorporation by Reference Guidance: None
