# Setting to Scheduled non-TSDF Perspective

Receiving facilities have the option to allow other parties to schedule manifests. Add the Designated Facility to see if they've enabled this option. If it's not enabled then you will need to set the status to Pending and the Designated Facility will set to Scheduled.

## Select a status for this manifest \*

The selected Designated Facility does not allow other sites to schedule manifests. Please update the status to Pending or Draft in order to save the manifest.

## Potential Ship Date

- Draft - Visible only to users registered for this site
- Pending - Shared with users registered for the Generator, Transporters and Designated Facility selected below
- Scheduled - Ready for transport; official manifest can be printed

## Does this manifest contain residues or rejected waste?

 No

## Was the waste on this manifest imported from another country?

 Yes

## 1-5. Generator Information \*
