RE: Maine Waste Discharge License (WDL) #W008129-5S-E-R
Permit Compliance Tracking Number MEU508129
Retirement Letter

Dear Mr. Wood:

The Department is in receipt of your December 13, 2017, letter indicating Waterways Inc. no longer needs the above referenced license as the car wash associated with the facility has been closed for the past two years and treated waste water generated by the car wash is no longer being conveyed to an on-site sub-surface waste water disposal system.

We will be inactivating the Waterways Inc. facility in our database so that Discharge Monitoring Reports and billing statements are not sent to you in the future.

Should you have any questions regarding this matter feel free to call me 287-7693 or e-mail me at gregg.wood@maine.gov.

Sincerely,

Gregg Wood
Division of Water Quality Management
Bureau of Water Quality
