RE: Maine Pollutant Discharge Elimination System (MEPDES) Permit #MEU508254
Maine Waste Discharge License (WDL) Application #W008254
Permit Retirement

Dear Ms Libby:

The Department is in receipt of your July 27, 2017, letter requesting the Department retire the above reference permit/license due to the closure of the Maine Pure facility in the Town of Fryeburg. By this letter, the Department of Environmental Protection is granting your request to retire the permit/license.

We will be inactivating the treatment plant covered by permit/license in our database so that Discharge Monitoring Reports and billing statements will not be sent to you in the future. By copy of this letter, we are notifying the U.S. Environmental Protection Agency that we are terminating the permit/license.

Should you have any questions regarding this matter, feel free to contact me via electronic mail at gregg.wood@maine.gov.

Sincerely,

Gregg Wood
Division of Water Quality Management
Bureau of Water Quality
