SUBJECT: **Revocation** of NPDES Discharge Permit 3-1374, NPDES VT0001007

Dear Mr. Wilbur

The Department of Environmental Conservation's Watershed Management Division recently concluded a 30-day public notice comment period (September 30, 2015) for revocation of the above referenced National Pollutant Discharge Elimination System (NPDES) discharge permit. No comments were received during the comment period. This is final notification that NPDES discharge permit 3-1374 issued to the Town of Proctor, Vermont is hereby revoked. The Town of Proctor no longer has authorization to discharge treated filter backwash from a potable water treatment facility. Submittal of monthly monitoring reports is no longer required. Annual operating fees were current at the time of revocation.

If you have any questions, please contact Carole Fowler at 802-490-6106.

Signed this 1st day of October, 2015.

David K. Mears, Commissioner
Department of Environmental Conservation
