SUBJECT: **Revocation** of NPDES Discharge Permit 3-1541, VT0001465

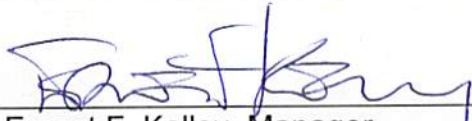

Dear Mr. Scarzello:

The Department of Environmental Conservation's Watershed Management Division recently concluded a 30-day public notice comment period (October 20, 2015) for revocation of the above referenced National Pollutant Discharge Elimination System (NPDES) discharge permit. No comments were received during the comment period. This is final notification that NPDES discharge permit 3-1541 issued to Green Mountain Power Corporation is hereby revoked. Green Mountain Power Corporation no longer has authorization to discharge cooling water to Otter Creek from the Proctor Hydropower Station. Submittal of monthly monitoring reports is no longer required. Annual operating fees were current at the time of revocation.

If you have any questions, please contact Carole Fowler at 802-490-6106.

Signed this 21st day of October, 2015.

Alyssa B. Schuren, Commissioner
Department of Environmental Conservation
