The Town of Rehoboth has appointed a Stormwater Committee and Stormwater Officer to be responsible for fulfilling many of the requirements of this MS4 General permit.

In April 2008 the Town of Rehoboth Stormwater by-law went into effect. Signage for resource areas needing extra protection and public awareness have been purchased and erected. Stencils have been created to mark catch basins in town to further protect the resource areas from stormwater runoff. Additional trash receptacles have been purchased and placed where the Committee has become aware of that trash maybe reaching our resource areas. The Stormwater Committee has continued to follow up on resident's complaints and concerns. The Committee has worked diligently this year to created and finalized Stormwater Permit Applications for single family homes and Commercial / subdivision. Permits have come before the Stormwater Committee for review and approval. The Stormwater Committee and Stormwater Officer have answered many complaints and have resolved all but one.
