Re: Closure of EPA Complaint No. 02RNO-22-R5

Dear Director Roos:

The U.S. Environmental Protection Agency's (EPA), Office of Civil Rights and Adjudication (OCRA), External Civil Rights Division (ECRD) has determined that Michigan Department of Environment, Great Lakes, and Energy (EGLE) has complied with the terms of the Informal Resolution Agreement (Agreement) between EGLE and ECRD in the above-referenced matter.

Pursuant to Section III of the Agreement, EGLE has submitted information regarding its completion of Agreement commitments, including but not limited to conducting public education and engagement activities.

ECRD is closing EPA Complaint No. 02RNO-22-R5 as of the date of this letter. EGLE, as a recipient of EPA financial assistance, cannot discriminate on the basis of race, color, national origin, sex, age, or disability in its programs or activities, nor can it retaliate for engaging in protected activity.

ECRD appreciates EGLE's participation in this matter. ECRD remains available to provide technical assistance on federal nondiscrimination law obligations. If you have any questions, please contact Case Manager Al Sweeney by email at sweeney.alfred@epa.gov or phone at (202) 564-7949.

Sincerely,

JuanCarlos M. Hunt, Director
